

REMARKS

This Amendment is submitted supplementary to the previous Amendment and in connection with the personal conference with the Examiner.

The Examiner's highly beneficial cooperation during the conference has been gratefully acknowledged.

It has been determined that it would be advisable to draft the claims which involve the formula on page 4, line 13. In view of this, Claims 1 and 7 have been amended to include the above mentioned formula.

Reconsideration and allowance of the present application is most respectfully requested.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in formal respects in order to place this case in condition for final allowance, then it is respectfully requested that such amendments or corrections be carried out by Examiner's Amendment, and the case be passed to issue. Alternatively, should

the Examiner feel that a personal discussion might be helpful in advancing this case to allowance, he is invited to telephone the undersigned (at 631-549-4700).

Respectfully submitted,
/Michael J.Striker/
